

FESTIVAL NATIONS

**Celebrating the cultures of Minnesota through
experience, education and entertainment**

For more than 85 years, the Festival of Nations has inspired people throughout the region to discover more about our world and embrace the rich cultural diversity brought to us by immigrants from around the globe.

2019 World Festivals and Celebrations

In 2019, the Festival will continue its legacy as the longest running multicultural festival in the Midwest and, once again, collaborate with more than 90 ethnic groups to create a truly unique experience – one that celebrates cultural heritage and provides our community's immigrants with a platform to celebrate their culture through world-class performances, exhibits, ethnic cuisine, and personal connections.
