FESTIVAL OF NATIONS

2019

For 87 years, the Festival of Nations has inspired people throughout the region to discover more about our world and embrace the rich cultural diversity brought to us by immigrants from around the globe. In 2019, the Festival will continue its legacy as the longest running multicultural festival in the Midwest and, once again, collaborate with more than 100

ethnic groups to create a truly unique experience - one that celebrates cultural heritage and provides our community's immigrants with a platform to express their stories through world-class performances, exhibits, ethnic cuisine, and personal connections.

The Festival of Nations is presented by the International Institute of Minnesota: an organization committed to helping immigrants and refugees achieve full membership in American life. For 100 years, the Institute has helped New Americans successfully transition to life in Minnesota. Through employment services, refugee services, immigration assistance and English-

language education, the Institute empowers New Americans to thrive.
