Café Booth Layout - 2020

Ethnic Group: _____

Please provide a diagram of your proposed Café booth layout. This will be used to place tables, rented appliances, as well as, electrical outlets for powering the equipment brought in.

The front area of your booth is approximately 20 feet wide and 8.5 feet deep, the back of the booth is also about 20 feet wide and is approximately 16 feet deep. All of the appliance, storage and work space must be in the specified area of your booth. The aisle outside your booth cannot be used as additional space. They must remain open.
